23rd Hawkeye Downs Shorthorn Sale at

HAWKEYE DOWNS FAIRGROUNDS

Cedar Rapids, Iowa

Saturday, September 12, 1964

Show at 8:45 a. m. — Sale at 12:00 Noon, C. D. S. T.

All of us take pride in having worked together and developed one of the leading District Sales of Shorthorns in the United States. Just look at the list of consignors—breeders who have dominated the shows in the Middle West, Denver, Fort Worth and well up at the International. Each year they consign their top disposable cattle to the Hawkeye Downs Sales. The success of these sales has attracted the attention of many of the leading breeders in Wisconsin who are now among our consignors with many of their show cattle direct from Wisconsin State Fair. Please study the breeding carefully and be with us on Sept. 12th to possess some of these choice breeding cattle.

20 BULLS . . .

with scale, bone, character, individuality and the sort of breeding to assure that they will prove good sires.

65 FEMALES . . .

12 cows with calves at side and mostly rebred (the quick profit kind).

28 other bred females.

22 open yearling heifers soon to be bred to your own herd sires.

3 head of 1964 heifers that may be used for 1965 Club work.

4-H and FFA Club steer calves . . . see pages 4 and 5 please.

In our March, 1964 sale three bulls went to head commercial herds of another beef breed. Evidently these men desire the advantages of "The Shorthorn Influence".

ATTENDANCE PRIZE: \$25. in cash will be given away immediately after the last animal is sold. Be sure to get your name and address upon a card for the drawing.

DINNER MEETING: We have reserved the Woodshed Dining Room at the OX YOKE INN located in the world-famous village of Amana, Iowa, which is located 16 miles southwest on Hwy 149 from the junctions of 30, 218, 149 and 64 at the southwest corner of Cedar Rapids. The ala carte dinner will be held at 6:30 p. m. on Sept. 11th. The consignors and sale manager will make an effort to get people interested in going to the INN together, use fewer cars and get better acquainted. See us for arrangements. All people interested in better Shorthorns are invited to attend.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated.
Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows sold with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 mos. of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.
The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature of the Perth, Scotland sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the managers 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

Hawkeye Downs Area Shorthorn Club Steer Wins Over All Breeds At 1963 Iowa State Fair

Sally Haas, Mechanicsville, Iowa, showed her steer to the Shorthorn Championship and then to the Grand Championship over all breeds at the 1963 Iowa State Fair. This calf was bred by Donald Johnson, Oxford, Iowa, near Cedar Rapids. He is a regular consignor to our Club Steer sales.

Listed for this fall's calf sale are:

Ralph Dixon, Fayette	1
Wayne Farnum, Victor	1
Donald Johnson, Oxford	2
Gilbert Kardel, Walcott	1
M.R. Maurer & Son, Manchester	some
Hubert McElhinney, Crawfordsville	2
Gary Moothart, Fairfield	2
Otis Rothlisberger, Elgin	6
B & B Farms, Aledo, Ill	2
Robert Raisbeck, Lancaster, Wis	1
Larry Sexton, Iowa City	2
Dianne & Daniel Swann, Osage	2
Lester Tomlinson & Sons, Traer	2
Braywood Farms, Oskaloosa	8
Dale Petty, Eldora	4

Usually several good calves show up that are not listed at the time the catalog goes to press, we should have around 40 head.

Hawkeye Downs Area Shorthorn Club Steer Wins Over Nations Best At 1963 International.

Chuck Shada, Anamosa, Iowa, showed his steer to the championship in the Club classes for Shorthorns at the International and then on to the championship in the Open Show of Shorthorn Steer Classes. Bred and fitted in Hawkeye Downs Area.

Donald Johnson makes a practice of breeding and selling steer calves for club purposes. His calves have either topped or been near the top. Wayne Farnum sold the top calf last year - sired by a Northwood bull.

Gilbert Kardel has a fine herd and usually brings one or two real good calves.

Gary Moothart shows up with typy calves that sell well.

Otis Rothlisberger has always had good steer and club heifer calves and will have a half dozen this year.

Larry Sexton, a young and new breeder of Shorthorns is coming out with his first sale cattle.

Ralph Dixon sold a calf well up last year and is returning.

Dianne and Daniel Swann have purchased cattle at several sales and are bringing two club calves.

M.R. Maurer & Son have sold in most of the club sales and will bring some desirable ones again.

Braywood Farms are bringing a large consignment and we can expect good ones.

Bob Ralsbeck always shows up with type calves.

Lester Tomlinson & Sons will undoubtedly bring a couple of very good ones from their large herd.

B & B Farms are here with their initial consignment. They should be good.

Lots 83, 84 and 85 in the sale are heifers of Club age. Very likely we will sell some calves off their dams that will make suitable club calves.

VON BAR MAR ROAN ROBIN is sired by the world famous Bapton Roan Robin. Von Bar Mar Roan Robin was one of the top sires in the Vaughn Moore Herd. He was shown to Grand Championships at Denver, midwest state fairs and in the south. Sire of Lot 1.

BARBARIAN'S MISSIE JAN - Here is a sweet show heifer, the kind that has been doing real well for us and their new owners. A real chance to start that boy or girl in the right way for 4-H or F. F. A. Also good enough for dad to put in his herd. Take a good look at this one also.
